

CHAPTER 2 **Performance Assessment**
Rational and Real Numbers

The large outer square represents one whole unit. It has been divided into smaller pieces labeled A to K.

1. Decide what each fraction of the whole unit each piece represents.

- A _____ E _____ I _____
 B _____ F _____ J _____
 C _____ G _____ K _____
 D _____ H _____

2. Write a brief explanation of how you determined the fraction for each of the following pieces:

B _____

I _____

F _____

J _____

3. Design your own fraction square and give the fractions for the pieces. It needs at least 6 parts with different shapes.
